CODE OF CONDUCT

The Armed Services YMCA is committed to providing a positive atmosphere that is safe and inclusive to all in our community. Therefore, the Armed Services YMCA has adopted a code of conduct to govern the actions and behavior of all people while participating in ASYMCA programs. Individuals who experience or observe inappropriate conduct are encouraged to promptly report their concern to Armed Services YMCA staff. Every effort will be made to ensure that reports are investigated and resolved promptly and effectively.

The following will NOT be tolerated at Armed Services YMCA facilities and programs:

- Abusive, harassing, and/or obscene language or gestures
- Threats of harm, physical aggression, or violent acts
- Weapons of any kind
- Smoking
- Damaging or defacing property
- Possession, sale, use or being under the influence of alcohol or illegal drugs
- Offensive and unlawful conduct

DISCIPLINE AND BEHAVIOR MANAGEMENT POLICY

All efforts will be made to guide/redirect campers to appropriate behavior. The Armed Services YMCA Fort Bragg has clear and appropriate expectations for the children in our care. We attempt to set limits, assist children with understanding rules, and provide clear definitions of acceptable and unacceptable behavior.

In the event that your camper is not having a “good day” and there is concern for the well-being of your child or others, we may contact you for possible pick-up.

Please be sure to review our discipline policy with your child(ren). Often times, parent reminders for behavior expectations go a long way to ensuring your child(ren) have a fun and positive day with their friends. J

Please encourage your child to come ready to participate, be respectful of others and have FUN!

Praise and positive reinforcement are effective methods of behavior management. When children receive positive, non-violent, and understanding interactions from adults and others, they develop good self-concept, problem-solving abilities, and self-discipline. Based on this belief of how children learn and develop values, this facility will practice the following age and developmentally appropriate discipline and behavior management policy.

We Do:

- Praise, reward and encourage children.
- Reason with and set limits for the children.
- Model appropriate behavior for children.
- Modify the classroom environment to attempt to prevent problems before they arise.
- Listen to children.
- Provide alternatives to inappropriate behavior for the children.
- Provide the children with natural and logical consequences for their behaviors.
- Treat the children as people and respect their needs, desires, and feelings.
- Ignore minor behaviors.
- Explain things to children on their level.
- Use short supervised periods of time out sparingly.
- Stay consistent in our behavior management system.
- Use effective guidance and behavior management techniques that focus on the child’s development.

We Do Not:

- Handle children roughly in any way, including shaking, pushing, shoving, pinching, slapping, biting, kicking, or spanking.
- Place children in a locked room, closet, or box or leave children alone in a room separated from staff.
- Delegate discipline to another child.
- Withhold food as punishment or give food as a means of reward.
- Discipline for toilet accidents.
- Discipline for not sleeping during rest periods.
- Discipline children by assigning chores that require contact with or use of hazardous materials, such as cleaning.
- Withhold or require physical activity such as running laps or doing push-ups, as punishment.
- Yell at, shame, humiliate, frighten, threaten, or bully children.
- Restrain children as a form discipline unless the child’s safety or the safety of others are at risk.

Student Behavior Expectations

- Children will be respectful to all others.
- Children will listen and follow directions.
- Children will keep hands and feet to themselves at all times.
- Children will respect all equipment and supplies.
- Children will follow all school rules.

Student Behavior Consequences

1st Offense	—	Verbal Warning
2nd Offense	—	Removal from Situation and Redirection
3rd Offense	—	3-5 Minute Time Out* and Behavior Report Shared with Parent

After 3 Behavior Reports a conference may be scheduled with the parents if the Program Attendant, Program Coordinator/Director, all believe it is necessary. The staff of the Armed Services YMCA will not tolerate inappropriate behavior, language, or actions from parents or children enrolled in the program.

*A "Time Out" is the removal of a child for a short period of time (3-5 minutes) from a situation in which the child is misbehaving and has not responded to other discipline techniques. The 'time out' space, usually a chair, is located away from the classroom activity but within the teacher's sight. During 'time out' the child has a chance to think about the misbehavior which led to his/her removal from the group. After a brief interval of no more than 5 minutes, the teacher discusses the incident and the appropriate behavior with the child. When the child returns to the group, the incident is over and the child is treated with the same affection and respect shown to the other children. (Adapted from the original prepared by Elizabeth Wilson, Student, Catawba Valley Technical College)

STATEMENT FOR PREVENTION OF ABUSE

A principal endeavor of the Armed Services YMCA is to provide a healthy atmosphere for the growth and development of youth and children. Thus, the mistreatment or neglect of youth or children and the resulting severe effects are of primary concern to the Armed Services YMCA. Child abuse is mistreatment or neglect of a child by parents or others resulting in injury or harm. Abuse can lead to severe emotional, physical, and behavioral problems. Because of its concern for the welfare of children and youth, the Armed Services YMCA has developed policies, standards, guidelines, and training to aid in the detection and prevention of child abuse.

In addition, all employees are thoroughly screened, and background checks are conducted upon hiring or rehiring. Employees who have contact with children and youth receive training in recognizing, reporting, and preventing child abuse, which includes training in recognizing signs that a child is being groomed for abuse. Some of the guideline's employees are expected to follow are:

- Avoid being alone with a single child where you cannot be observed by other staff or adults.
- Staff may not relate to children who participate in Armed Services YMCA programs outside of approved Armed Services YMCA activities. For example, babysitting, weekend trips, foster care, etc. are not permitted.
- Giving personal gifts to program participants or their parents is not allowed.
- Program rules and boundaries must be followed, including appropriate touch guidelines.
- Children or youth should not be singled out for favored attention.
- Dating a program participant under the age of 18 is not allowed.
